

Nashik Municipal Corporation

Date: 20/10/2015

Smart City Vision Competition

As you might be aware, Nashik is one of the 98 cities selected under prestigious Smart City Mission of Ministry of Urban Development, Government of India. Nashik Municipal Corporation is in process of preparing Smart City proposal (SCP) for Nashik. One of the important part of SCP is Visioning exercise. Under the Visioning exercise, city will have to decide Vision based on citizen consultations. For this we are conducting a visioning competition. Following is the competition entry format:

<p>Introduction: Smart City Mission was launched by Government of India on 25th June 2015. Cities under this mission will be selected through two stage competition. First stage of competition has selected 98 cities for this mission, while stage two of the competition will decide top 20 cities for the first round of funding. Nashik has cleared the first stage competition. For second stage competition, Nashik is preparing Smart City proposal (SCP). One of the important Component of SCP is Visioning exercise. Under this competition, participants will be encouraged to prepare a vision statement for the city using following keywords: Heritage, Culture, Innovation, Opportunities, Livelihood, Environment, Development, Adaptation, Conservation, Education and Wine.</p>
<p>Vision Statement:</p>
<p>Description of Vision (Max 100 words):</p>

This competition is open for all. Competition is to be held from 20th October 2015 to 10th November.
